As a reminder, please ensure that Tom refrains from referring to Sam as "Huggy" until further notice. Thanks.

We removed the Huggy reference that Tom Joyner made on the show nationally. I have spoken with Reach Media regarding Tom's mistake of using Huggy's name on the air, this morning. They have addressed it, and will continue to reiterate it again to Tom this morning.

Today Thursday and Friday, we will air the best of Huggy Low Down on Majic. Huggy's dad passed away yesterday, and he will be out the next two days.

Reach Media and I will discuss our plan to for next week today.
